

In Celebration of the Importance of Fathers the Way to Happiness Center Hosts a Father's Day Celebration

CLEARWATER, FLORIDA, US, May 29, 2019 /EINPresswire.com/ -- On Saturday June 15th, [The Way to Happiness](#) (TWTH) Association Tampa Bay will be holding a Father's Day Celebration at their downtown Clearwater headquarters. Starting at 4:00 pm, children and their fathers will enjoy activities such as: the dad's watermelon eating contest, water balloon challenge; and fun activities for the entire family.

Father proudly pins a promotional badge on his son's Boy Scouts uniform.

The importance of fathers is explored at the National Center for Fathering's website, Fathers.com. The Extent of Fatherlessness cites the situation, "More than 20 million children live in a home without the physical presence of a father. Millions more have dads who are physically present, but emotionally absent. If it were classified as a disease, fatherlessness would be an epidemic worthy of attention as a national emergency." [1] On the flip side, the same website cites a study by the U.S. Department of Education, "When fathers are involved, their children learn more, perform better in school and exhibit healthier behavior. Even when fathers do not share a home with their children, their active involvement can have a lasting and positive impact." [2]
