

Global Education Market Report 2019-2025 by Technology, Future Trends, Opportunities, Top Key Players and more...

A new market study, titled "Global Education Market Size, Status and Forecast 2019-2025", has been featured on WiseGuyReports.

PUNE, MAHARASTRA, INDIA, May 30, 2019 /EINPresswire.com/ -- [Education Market](#)

The education sector comprises establishments that provide instructions and training in a wide range of subjects. The education sector comprises establishments whose primary activity is education, including public, not-for-profit, and for-profit establishments. It includes elementary and secondary schools, colleges, universities, business schools and computer and management training, technical and trade schools, and other schools and instruction and educational support services.

One trend in the market is rising awareness of early education. Early education has been a critical component of children's development. The growth of the early education market in the UAE has also proliferated due to the increasing awareness among parents regarding the criticality of the first three years of childhood and the increasing importance of education in these years.

The key players covered in this study

Dubai International Academy

GEMS Education

Higher Colleges of Technology (HCT)

Taaleem

United Arab Emirates University (UAE University)

Zayed University
