

Global Contract Research Organization Services (CROs) Market 2019 Share, Size, Market Analysis and Forecast to 2025

WiseGuyReports.com Presents "Global Contract Research Organization Services (CROs) Market Size, Status and Forecast 2019-2025" New Document to its Studies Data

PUNE, INDIA, May 31, 2019
/EINPresswire.com/ --

The global [CRO services](#) market, by end user, is segmented into pharmaceutical and biopharmaceutical companies, medical device companies, and academic institutes. In 2017, the pharmaceutical and biopharmaceutical companies segment accounted for the largest share of the contract research organization services market. The large share of this segment can be attributed to the increased outsourcing of early phase development services and clinical and laboratory testing services by pharmaceutical companies to boost profit margins, avoid high capital expenditure, and reduce the time duration to validate the process and product.

In 2018, the global Contract Research Organization Services (CROs) market size was xx million US\$ and it is expected to reach xx million US\$ by the end of 2025, with a CAGR of 7.1% during 2019-2025.
