

Special Breakfast for Kids at The Ritz-Carlton, Bali

NUSA DUA, BALI, INDONESIA, May 31, 2019 /EINPresswire.com/ -- A [family-friendly resort in Bali](#) located on a pristine beach in Nusa Dua, The Ritz-Carlton, Bali is dedicated to creating inspirational and memorable holiday experiences for all its guests, including children. Recognizing the importance of starting the day with a good breakfast, the team at [Senses Restaurant](#) have created a dedicated kids' corner at the extensive buffet, where cookies, assorted donuts, sausage rolls, mini fruit pizza and sandwiches are served. A highlight is the live pancake craft cooking station, with fluffy pancakes cooked to order in all kinds of shapes – a novel and imaginative breakfast experience to entice children of all ages.

Chef de Partie, I Komang Dwi Rahastika – also known as the 'Pancake Craft Chef' – presides over a fun and interactive experience, creating pancakes in the shape of cartoon characters, letters and animals. As well as requesting a pancake of their own design, and watching it take form on the griddle, children are also encouraged to learn to cook their own pancakes, which make breakfast entertaining and enticing.

Komang, who also loves to draw in his spare time, relishes the opportunity to pour his imagination into pancake art and claims his greatest reward is to see his young guests happy and to fulfill their wishes. "My favorite shapes to create are the peacock, because it's a symbol of my vivid imagination, and a smiling monkey face which represents my pleasure in doing my job which is also my passion," says Komang.
