

US and Israel announced to present at Air Missile Defence Technology

Smi presents: Leading US Army and Israeli Air Defence figures to present at Air Missile Defence Technology 2019 in October

LONDON, UNITED KINGDOM, May 31, 2019 /EINPresswire.com/ -- With Iran's development of powerful missiles advancing, it has been announced that the Israel Defence Forces are working with the US to trial out a highly advanced THAAD missile defense system for the first time.

[Learn more](#) about how allies, the US and Israel, are working together to stay ahead of near peer adversaries from leading experts from the US DoD and Israeli Air Defence HQ at SMI's upcoming Air Missile Defence Technology 2019 conference on 22nd-23rd October 2019.

US Featured Speakers include:

1. Dr Juanita M. Christensen, Director, CCDC Aviation and Missile Center, US Army
2. Mr Peter Woodmansee, Division Chief, Integrated Air and Missile Defence, HQ US European Command
3. Mr Max Hanessian, Chief, Integrated Air and Missile Defense, US Air Force in Europe
4. Mr Thomas N Doss, Assistant Program Executive Officer, International, PEO Missiles and Space

The Israeli Air Defence HQ will present:

Examining the Israeli Layered Approach to Missile Defence Systems

- Iron Dome interceptor system capabilities and deployment
- Working with the United States to supply Iron Dome defence systems
- CBM threats and the role of the Arrow 3 system in protecting Israeli citizens
- David's Sling protecting against medium range threats

Delegates will also hear from NATO countries speaking alongside NATO Missile Firing Installation (NAMFI) including: Czech Armed Forces, Hungarian Army, UK MoD, French Air Force, Lithuanian Air Force, Swedish FMV, University of Defence Brno, Czech Republic and more!

The two-day conference will also feature technical briefings from industry experts from organisations such as:

The poster features a military truck with a missile launcher in the background. The text on the poster reads: "AIR MISSILE DEFENCE TECHNOLOGY" in large, bold, white letters on a black background. Below this, in orange text, it says "22nd-23rd October 2019 | Prague, CZ". At the bottom, the website "www.airmissiledefence.com" is displayed in white, followed by the SMI logo and the tagline "LINKING BUSINESS AND INFORMATION". Below the poster, the text "Air Missile Defence Technology 2019" is written.

- Weibel Scientific A/S – “Common technical scalability across the full IAMD domain — is it possible?”
- Lockheed Martin – presentation details to follow.
- MBDA – “Examining MBDA’s GBAD capabilities”
- Diehl Defence - “Meeting the Demand for High Performance SHORAD Systems”

For those who would like to find out more information about the conference and for live agenda updates and the latest downloadable content, visit www.airmissiledefence.com/einpr

To register for the conference and save £400, book online by Midnight GMT on 31st May 2019 at www.airmissiledefence.com/einpr

The conference is proudly sponsored by Lockheed Martin & Weibel Scientific.
