

The Global Amusement Parks And Arcades Market Value Is Expected To Reach \$87.2 billion by 2022

The Business Research Company adds Amusement Parks And Arcades Market By Type (Theme Parks, Water Parks, Arcades And Parlors, And Others) Trends And Market Size

LONDON, GREATER LONDON, UK, June 3, 2019 /EINPresswire.com/ -- The global market for amusement parks and arcades is expected to reach a value of nearly above \$87 billion by 2022, having grown at an annual rate of above 9% since 2018.

The Amusement Parks And Arcades Market Size Will Gain The Most In The USA At \$9.92 Billion."

Abdul Wasay

Growth in the historic period resulted from a rise in disposable incomes, companies focusing on reinvesting, increased travel and tourism, and economic growth. Factors that negatively affected growth in the historic period were harsh weather conditions and rising costs.

Going forward, economic growth in developed nations and increasing use of social media will drive the growth. Factors that could hinder the growth of this market in future include unfavorable demographic changes, a threat from home entertainment and experience fatigue.

The top opportunities in the amusement parks and arcades market will arise in the theme parks segment, which will gain \$21.1 billion of global annual sales by 2022. The amusement parks and arcades market size will gain the most in the USA at \$9.92 billion. Market-trend-based strategies for the amusement parks and arcades market include using IoT technology that improves efficiency and guest experience, introducing cost effective retractable roofs for water parks, and offering platforms to patrons for booking rides or tickets with the help of mobile technologies. Player-adopted strategies in the amusement parks and arcades industry include launching new attractions and entertainments, investing in opening new theme parks, and acquisitions.

To take advantage of these opportunities, The Business Research Company recommends the amusement parks and arcades companies to using digital technologies to enhance the user experience, focus on reinvesting, contribute towards sustainability, leverage technology to maximize reach and increase focus on commercialized nostalgia, among other strategies.
