

# From Dabs to Doobies, Bigbadmoji Smokes the Competition

SAGINAW, MICHIGAN, UNITED STATES, June 4, 2019 /EINPresswire.com/ -- Rolling up a fat one for the cannabis culture, [Bigbadmoji](#) presents the best weed emoji's available! Taking a no-holds-barred approach, you will find an assortment of funny and fitting poses for your avatar.

With the increasing censorship in the app stores, we invite you to use our web-only app at [www.bigbadmoji.com](http://www.bigbadmoji.com), where you can find your clean high, or get down and dirty. Plus there is so much more; to be blunt, bobblehead caricatures just can't well represent your build or beautiful curves - that's why Bigbadmoji is bringing sexy back! Your Bigbadmoji avatar can be bud smoking or buck naked depending on your mood.

Be the first of your friends to express yourself right, with the avatars that are blazing the trail. Roll with Bigbadmoji, as we light up the best weed communication theme there is. Time to ditch your lame avatar app, and say what you really want to say.

What are you waiting for? Be the first of the new platform that is bound to be a hit... A big, long drag of a hit! Time to inhale the good shit, and exhale the bullshit at [www.bigbadmoji.com](http://www.bigbadmoji.com)!
