

Manufacturer Super Brush LLC Will Exhibit Their Technologically Advanced Foam Swabs at the MD&M East New York 2019

Super Brush LLC will be at Booth #256 in the Jacob K. Javits Convention Center, exhibiting their lint-free, durable foam swabs at MD&M East.

SPRINGFIELD, MA, UNITED STATES, June 3, 2019 /EINPresswire.com/ -- Super Brush LLC will be at Booth #256 in the Jacob K. Javits Convention Center, exhibiting their lint-free, durable foam swabs at MD&M East - the east coast's largest MedTech event. 8,000 advanced manufacturing professionals are expected to attend to familiarize themselves with the latest technologies in biocompatible materials, components, assembly, and contract manufacturing – fields in which Super Brush LLC lint-free swabs have provided critical solutions.

“With our extensive experience in swab development, Super Brush has the expertise to design foam swabs to meet specific kit, package or application requirements,” says Diane Henry, Director of Sales. “Our swabs are engineered without adhesives, so they will not contaminate fluid being applied. In addition, each mitt is made with durable, lint-free foam.”

“

With our extensive experience in swab development, Super Brush has the expertise to design foam swabs to meet specific kit, package or application requirements”

Diane Henry, Director of Sales

The Super Brush team will be available at Booth #256 to answer any questions about their products - you can also find more information on our complete line of USA-made Super Brush LLC lint-free foam cleaning swabs at www.superbrush.com or contact sales@superbrush.com.

About Super Brush LLC
