

# 3dcart renews partnership with Acutrack to bring their clients physical goods fulfillment and publishing solution

*3dcart and Acutrack partner up to help merchants by bringing them technology-driven physical goods fulfillment and publishing solutions.*

LIVERMORE, CA, UNITED STATES, June 5, 2019 /EINPresswire.com/ -- 3dcart, a leading eCommerce software provider, announced today that they are renewing partnership with Acutrack to bring their clients physical goods fulfillment and publishing solutions.

The 3dcart eCommerce platform is built to address the business challenges inherent in successfully reaching visitors, engaging shoppers, converting sales and nurturing customers.

Thus, Acutrack integration helps enhance what 3dcart offers, allowing 3dcart customers to work with a strategic fulfillment partner for physical goods fulfillment. Additionally, they'll have access to all of Acutrack's publishing and custom printing solutions to drive engagement and boost conversion rates.

“

Acutrack's publishing solution of delivery printed books and custom packaged USB thumb drives is very novel and expands our offering.”

*Jimmy Rodriguez, COO of 3dcart*

“3dcart is pleased to have Acutrack on its marketplace,” said Jimmy Rodriguez, COO of 3dcart. “Acutrack's publishing solution of delivery printed books and custom packaged USB thumb drives are very novel and expands our offering.”

Acutrack's Director of Sales & Marketing, Tony de la Cruz, adds, “I am excited that Acutrack is fully integrated. An order is received on 3dcart's platform and Acutrack takes care of the rest. Our team looks forward to working with 3dcart's clientele and providing them the most rewarding

experience.”
