LONDON, GREATER LONDON, UK, June 4, 2019 /EINPresswire.com/ -- The global web content,

The Opportunities In The Web Content, Search Portals, SEO Services And Social Media Companies Is To Consider Increasing Investments In AR&VR Technologies - Recommendation By TBRC"

Abdul Wasay

search portals, SEO services and social media market reached a value of nearly \$392 billion in 2018, having grown at a growth rate of above 16% since 2014. The global web content, search portals, SEO services and social media market will grow at a growth rate of about 18% to nearly \$773 billion by 2022.

The web content, search portals, SEO services and social media market consists of the revenues generated from sales of advertising, subscriptions and advisory services.

Growth of the web content, search portals, SEO services

and social media market came from technological development, the emergence of digital media advertising and increased internet penetration. Factors that can negatively affect the growth of the web content, search portals, SEO services and social media market are low education levels, government regulations, high capital requirements and content acquisition costs associated with intellectual property agreements.
