

Continuity Programs Announces Integration with Testimonial Tree

This new integration will benefit users by seamlessly sharing customer feedback and online reviews between the two platforms.

WALLED LAKE, MICHIGAN, UNITED STATES, June 4, 2019 /EINPresswire.com/ -- Continuity Programs, Inc. is excited to announce a new integration with Testimonial Tree. Continuity Programs' [real estate marketing](#) and [mortgage CRM software](#) is now integrated with Testimonial Tree's online reputation management system. This partnership will benefit real estate agents and loan officers by automatically passing online reviews between the two platforms.

Kirk King, President of Continuity Programs says, "We exist to generate new business opportunities and look forward to seeing our integration with Testimonial Tree improve the online reputation for our users."

Companies who make use of this integration will be able to share customer feedback to social media with ease. With the vast majority of people saying they trust the recommendations of friends and family over anyone else, it is critical that companies improve their online reputation. Both platforms capture testimonials for agents and loan officers through client satisfaction surveys. When paired with Testimonial Tree's software, users of Continuity Programs' MyCRMDashboard and MyLeadDashboard will see their social proof skyrocket.

"Testimonial Tree and Continuity Programs both have a powerful presence in the real estate industry," Jason Dolle, Founder and CEO of Testimonial Tree, says. "We have formed a strong partnership that we're thrilled to be able to pass onto our clients. Our intuitive, turnkey software makes it easy to collect authentic testimonials from happy customers."

About Continuity Programs: Continuity Programs, Inc. serves mortgage and real estate companies with easy-to-use customer relationship management (CRM) software and automated marketing solutions. Since 1973, Continuity Programs' campaigns have consistently proven to drive referrals and repeat business, generate exclusive leads, and increase client retention for agents and loan officers across the US.
