The Florida Companies To Watch program consists of two rounds of selections. Finalists now advance to the second round, where they will be further evaluated based on their performance in the marketplace, innovative products, services or processes, philanthropy and empowered employees.

“

We are excited about the future of our company and our industry. This recognition is a great reflection of our teams' commitment to great customer service.”

Tom Fulmer, VP

“We applaud these first round finalists who have shown how they stand out in their regions as innovative business leaders, going to the next level to grow their companies. They are true rock stars,” says Dr. Tom O’Neal, GrowFL Executive Director.

The Finalists represent a unique group of scalable, high-growth enterprises that are already located within Florida. These high growth enterprises are an important segment of our economy and their numbers have been steadily increasing. According

to the Kauffman Foundation, “entrepreneurship is not a monolithic phenomenon, and it includes many moving parts. Creating new businesses is a different economic activity from running small businesses, which in turn is different from growing businesses.” Florida Companies to Watch recognizes the different approach needed to successfully grow and scale a business and celebrates those that are working to achieve this goal.

Companies to Watch is a distinguished

awards program specifically designed to seek out second-stage businesses from a wide range of industries representing all areas of the state, not just those in major metropolitan areas. In addition to evaluating past growth and projected success, applicant companies are judged according to their special strengths and impact in their markets, communities and within the state – thus deeming them “worth watching.”

The Honorees for this year’s award will be announced in July. The 9th Annual Florida Companies to Watch awards celebration will take place on November 14, 2019 at Hard Rock Live, Universal City Walk, Orlando, FL. Tickets go on sale June 19, 2019.
