Companies from across the state entered the two-part survey process to determine the Best Places to Work in South Carolina. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems, and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process, analyzed the data, and determined the final

rankings.

The ranked companies will be recognized at a reception and dinner, presented by Colonial Life, on August 1, 2019, and the rankings will be published in the August 2019 issue of SCBIZ magazine.
