

Renaissance Home Health Care Earns Multiple Awards for Patient Satisfaction

Ohio home healthcare agency earns a host of awards thanks to its outstanding patient service.

BEDFORD HEIGHTS, OHIO, UNITED STATES, June 5, 2019 /EINPresswire.com/ -- [Renaissance Home Health Care](#) is dedicated to helping patients maintain their independence and remain in their own homes. With a company-wide focus on giving patients the best experience possible, the company recently earned several awards from Stirling Alliance companies. It picked up its fifth straight Spectrum Award for Patient Satisfaction as well as its ninth consecutive Talk Award.

The Spectrum Award, presented by [City Beat News](#), and the Talk Award, presented by The [Talk Awards](#) (both members of the Stirling Alliance), are based on independent, proprietary research and evaluation, which identifies businesses and professionals with a track record of top-flight customer service. The rating system combines data collected from nominations, online and other customer reviews, surveys, blogs, social networks, business-rating services, and other honors and accolades — all of which express the voice of the customer.

Since 2008, Renaissance Home Health Care has helped individuals regain their health, mobility and independence, all while continuing to live in their own homes. “Regardless of your age or reason for your difficulties, our dedicated and professionally trained care team will provide high-quality care for you or a loved one,” says a company representative.
