It is not often that car dealerships can say that they have a sports legend working for them, and even fewer can say that they have one managing them. At [Honda of Hollywood](#), the dealership is ran by General Manager Harut Karapetyan. Fans of Major League Soccer (MLS) will recognize that name as the record holder for the fastest hat trick scored in MLS history.

Even though he no longer wears his signature LA Galaxy uniform, many fans still recognize Karapetyan in his suit and tie at the dealership. "A lot of people recognize my last name and first name and I'm honored," Karapetyan said. "The clientele they tell me exactly what they thought of me, the red cards [I received], the minutes that I played, and the goals that I scored."

Karapetyan played professional soccer for the following teams before becoming the general manager of Honda of Hollywood:

- 1993–1994 □ Los Angeles Salsa □
- 1996–1998 □ Los Angeles Galaxy
- 1998 □ San Jose Clash
- 1999 □ Tampa Bay Mutiny
- 2000 □ San Jose Earthquakes

After retiring in 2000, Karapetyan took his talent from the soccer field to the car lot and began leading a team of friendly and professional staff members at Honda of Hollywood. He is still excelling at what he does, he just does it in a different industry now.
