

Registration Opens for SMI's 12th Annual Energy from Waste Conference

SMi Group are proud to announce that registration has opened for the 12th Annual Energy from Waste conference, taking place on 3rd - 4th December in London

LONDON, UNITED KINGDOM, June 11, 2019 /EINPresswire.com/ -- The energy from waste market needs to be constantly adapting and improving to keep in line with new European and UK policies and legislation to ensure targets are met.

SMi's [Energy from Waste 2019](#) conference will bring together international waste management operators, developers, bankers, private equity financiers, technology providers and industrial end users, for two days of interactive networking. They will be discussing developments that are needed in technology, financing and infrastructure to ensure solutions are available to fast track the growth of the industry worldwide.
