

# SMi invites cleanroom experts to join Pharma Cleanroom Technology Conference

*SMi Reports: Updated brochure released with the full two-day agenda for the inaugural Pharmaceutical Cleanroom Technology conference this October in London, UK*

LONDON, UNITED KINGDOM, June 13, 2019 /EINPresswire.com/ -- Since the release of the agenda for the [Inaugural Pharmaceutical Cleanroom Technology Europe Conference](#), taking place on 9th and 10th October in London, SMi are delighted to share the updated brochure, containing additional speakers and a full two-day agenda.

Through a series of presentations, attendees will gain insight into current industry trends in addressing the microbiological aspects on cleanroom design and engineering.

The [2019 agenda](#) is packed with hot topics such as cleanroom costs, microbial contamination investigation tool, particle contamination monitoring in high-tech cleanrooms, risk-based approach to cleaning and disinfection, effective cleanroom HVAC systems, addressing new GMP Annex 1 requirements, implementing of an AMP in manufacturing sites and more.

## [Key highlights of the 2019 conference include:](#)

1. Exploring the characteristics and relevance of air flow to better advise cleanroom design, engineering and manage contamination from ASCCA
2. Discussing the most current approaches to minimise cost and improve energy efficiency without compromising product quality from Energy Efficiency Ltd
3. Examining the latest contamination control strategies from leaders in the pharmaceutical industry such as Fresenius Kabi and Takeda
4. Gaining insight into cleaning and disinfection protocols from a risk-management approach from STERIS

The new brochure has just been released and available to download online at: <http://www.cleanroomtechnology.co.uk/PR2>

Two interactive pre-conference workshops will be taking place on Tuesday 8th October 2019:  
Workshop A  
"Environmental Classification Qualification and Monitoring of GMP Controlled areas referencing

SMi Presents the Inaugural Conference...  
**Pharmaceutical Cleanroom Technology Europe**  
*Addressing the Microbiological Aspects in Cleanroom Design and Engineering*  
9 - 10 October 2019  
Cophthorne Tara Hotel, London, UK
