Join us as we take you on a journey back in time to the pivotal moments in history that paved the way for a hero after God's own heart.

Created by internationally recognized directors Robert and Elizabeth Muren, this production brings you the ultimate grace experience.

A combination of a theatrical stage performance and an interactive film backdrop on big screen, the production features all-new, captivating music with lyrics from the Book of Psalms.

It follows the life of David from the time he is a young shepherd boy who is always overlooked by his father and older brothers, to when he becomes the king of Israel, and ultimately to the time he rests with his fathers. In his lonely moments as a shepherd boy, David develops an intimate relationship with God, his unseen Father, with whom he is always seen. His high esteem of this relationship is what causes him to be called a man after God's own heart.

As king, the adult David enjoys the perks of success and power and doesn't always heed God's counsel. Nevertheless, His unseen Father never leaves him. He is with David even through the adulterous act with Bathsheba, the murder of Uriah, and the subsequent tragedies. It is during the tumultuous years of the older David's reign that he faces an uprising within his own household and is forced to confront his secrets and fears.

As he discovers which of his sons will be his successor, he remembers that man looks at the outward appearance, but God looks at the heart. The musical reveals a God who doesn't force His will on any person, a Savior who is full of grace and mercy, and a Father who desires more than anything to have a relationship with His children.
