Finalists were [announced by Microsoft](#) yesterday. This year's IMPACT award finalists were able to showcase their successes and continue to be a solid representation of a broad ecosystem of Microsoft Canada partners, both building and delivering innovative solutions to organizations of all sizes and all industries, on Microsoft technology. ProServeIT was recognized in both the Modern Marketing Innovation category and the SMB Regional Partner of the Year category.

"It means a lot to our organization to be recognized as a finalist for the Modern Marketing Innovation award," said Mihae Ahn, Marketing Manager at ProServeIT. "We work

hard to ensure that our customers and prospects get the most up-to-date information about the products and services they're looking for, when and where they're looking for it. We pay particular attention to the various stages of the buyer journey, and have undertaken several new initiatives this year to meet customers and potential customers where they are."

"We are honoured to have been chosen as a finalist for this prestigious award," says Eric Sugar, President of ProServeIT, speaking about the SMB Regional Partner of the Year nomination. "Our team has worked hard to assist organizations in using Cloud technology to reduce their overall capital expenditures, tapping into better resources, and providing improved security, collaboration and support. To be recognized by Microsoft for our commitment to helping companies truly benefit from Microsoft technology is a great honour."

This year's 2019 Microsoft IMPACT Award winners will be announced during the Canadian Keynote and Awards event in Las Vegas, Nevada on July 14th as part of Microsoft Inspire.
