

California Mesothelioma Victims Center Now Urges a Person in California With Mesothelioma to Call Them for Direct Access to Attorney Erik Karst of the Law firm Karst von Oiste To Discuss Expedited Compensation

LOS ANGELES, CALIFORNIA, USA, July 8, 2019 /EINPresswire.com/ -- The California Mesothelioma Victims Center says, "We are urging a person with recently diagnosed mesothelioma anywhere in California to call us anytime at 800-714-0303 so we can introduce them to attorney Erik Karst of the law firm Karst von Oiste. As we are certain Erik Karst will explain in many instances it may be possible to expedite mesothelioma financial compensation in terms of months rather than years. We also want to emphasize that we have endorsed the law firm of Karst von Oiste as the go to law firm for a person with mesothelioma anywhere in California because they consistently get the best compensation results for their clients." <https://California.MesotheliomaVictimsCenter.Com>

The California Mesothelioma Victims Center fears that many people with mesothelioma in California do not pursue financial compensation because of the thought of having to deal with attorneys and a possible

courtroom trial are not attractive options. As the group would like to discuss anytime at 800-714-0303-"In reality the mesothelioma compensation process is pretty straight forward and is not that complicated especially if the person with mesothelioma has retained the services of extremely skilled lawyers to shepherd them through the financial compensation process."

The California Mesothelioma Victims Center has endorsed the law firm of Karst von Oiste because they know these remarkable lawyers will treat their clients like family, they will do everything possible to ensure their client receives the very best possible financial compensation, and they will do everything possible to protect their clients from unexpected problems-or guide them through a problem should one arise. For direct access to the founding partner of Karst von Oiste-Erik Karst or his remarkable colleagues please call 800-714-0303 anytime. www.karstvoniste.com/

Vital Tip from the California Mesothelioma Victims Center related to Mesothelioma on the Internet from the California Mesothelioma Victims Center:

"Before a person in California hires a lawyer to assist with a mesothelioma compensation claim they are urged to call the California Mesothelioma Victims Center anytime at 800-714-0303. The key to receiving the best possible mesothelioma financial compensation is documenting the various times you were exposed to asbestos with as much specific information as possible. We are advocates for

people with mesothelioma and want to make certain they get properly compensated."

The California Mesothelioma Victims Center also wants to emphasize theirs is a statewide unsurpassed service that is available to any diagnosed victim in California including communities such as Los Angeles, San Diego, San Francisco, San Jose, Riverside, Fresno, Sacramento,

Oceanside, Palm Springs, Riverside, or Eureka.

For the best possible mesothelioma treatment options in California the California Mesothelioma Victims Center strongly recommends the following health care facilities with the offer to help a diagnosed victim, or their family get to the right physicians at one of these three hospitals:

*UCLA Medical Center Los Angeles, California: <https://cancer.ucla.edu/>

*Stanford Cancer Institute: <http://cancer.stanford.edu/>

*University of California San Francisco, San Francisco, California: <http://mountzion.ucsfmedicalcenter.org/>

High-risk work groups for exposure to asbestos in California include US Navy Veterans, power plant workers, shipyard workers, oil refinery workers, chemical plant workers, manufacturing workers, plumbers, electricians, auto mechanics, machinists, or construction workers. Typically, the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's.

According to the CDC the states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon. However, mesothelioma and asbestos exposure lung cancer happen to over a thousand people each year in California. www.karstvonnoiste.com/
