

2019 Paints & Coatings Market - Smart Coatings And High-Performance Coating Technologies Research Report

The Business Research Company offers Paints And Coatings Global Market Report 2019 from its research database.

The Scope And Potential For The Global Paints And Coatings Market Is Expected To Significantly Rise In The Future With Low Interest Rate Environment"

Abdul Wasay

LONDON, GREATER LONDON, UK, June 19, 2019 /EINPresswire.com/ -- The paints and coatings market is expected to reach a value of nearly \$314.54 billion by 2022, significantly growing at a CAGR of 8.9% during the forecast period. The growth in the paints and coatings manufacturing market is due to increase in increasing infrastructure and rising investments in the construction industry. However, the market for paints and coatings is expected to face certain restraints from several factors such as rising safety concerns during manufacturing.

Smart coatings and high-performance coating technologies are being adopted by companies to enhance efficiencies of coating compounds. Nano coatings, are a type of smart coating which has extremely tiny particles and unique characteristics such as flexibility, resistance to corrosion and micro bacterial growth. Fluoropolymer coating is known for its high-performance properties

such as long-life cycle and high cost efficiency. With increase in economic growth and low interest rate environment, the scope and potential for the global paints and coatings market is expected to significantly rise in the forecast period.

Major players in the paints and coatings market include PPG Industries Inc, The Sherwin-Williams Company, AkzoNobel N.V, Dow Chemical, RPM International Inc.

Paints And Coatings Global Market Report 2019 is one of a series of new reports from The Business Research Company that provides paints and coatings market overviews, analyzes and forecasts paints and coatings market size and growth for the global paints and coatings market, paints and coatings market share, paints and coatings market players, paints and coatings market size, paints and coatings market segments and geographies, paints and coatings market trends, paints and coatings market drivers and paints and coatings market restraints, paints and coatings market's leading competitors' revenues, profiles and market shares. The paints and coatings market report identifies top countries and segments for opportunities and strategies based on market trends and leading competitors' approaches.

Where To Learn More

Read Paints And Coatings Global Market Report 2019 from The Business Research Company for information on the following:

Markets Covered: global paints and coatings market, water borne coatings, solvent based coatings, powder coatings, others - paints and coatings

Data Segmentations: paints and coatings market size, global and by country; historic and forecast size, and growth rates for the world, 7 regions and 12 countries

Paints And Coatings Market Organizations Covered: PPG Industries Inc, The Sherwin-Williams Company, AkzoNobel N.V, Dow Chemical, RPM International Inc.

Regions: Asia-Pacific, China, Western Europe, Eastern Europe, North America, USA, South America, Middle East and Africa.

Time Series: Five years historic (2014-18) and forecast (2018-22).

Other Information And Analyses: PESTEL analysis, paints and coatings market customer information, paints and coatings market product/service analysis – product examples, paints and coatings market trends and opportunities, drivers and restraints, key mergers and acquisitions, key metrics covered: number of enterprises, number of employees, global paints and coatings market in 2019 - countries offering most new opportunities

Sourcing and Referencing: Data and analysis throughout the report are sourced using end notes.

Strategies For Participants In The [Paints And Coatings Industry](#): the report explains a number of strategies for companies in the paints and coatings market, based on industry trends and company analysis.

Opportunities For Companies In The Paints And Coatings Sector: The report reveals where the global paints and coatings industry will put on most \$ sales up to 2022.

Interested to know more about The Business Research Company?

The Business Research Company has published over 300 industry reports, covering over 2400 market segments and 56 geographies. The reports draw on 150,000 datasets, extensive secondary research, and exclusive insights from interviews with industry leaders. Here is a list of reports from The Business Research Company similar to Paints And Coatings Global Market

Report 2019:

[Synthetic Dyes And Pigments Market](#) By Segments (Textiles, Leather, Paints And Coatings, Plastic And Cosmetics), By Type, By Key Players And By Geography – Global Forecast To 2022

[Chemical Fertilizers Market](#) By Segments (Nitrogen Fertilizers, Phosphate Fertilizers, Potash Fertilizers), By Types, By Countries And By Key Players – Global Forecast To 2022
