

Scientology Information Center Celebrates Father's Day with "Tribute to My Father" by Entertainer Ruben Celiberti

CLEARWATER, FL, US, June 20, 2019 /EINPresswire.com/ -- On Saturday June 15th the [Scientology Information Center](#) hosted a pre-Father's Day performance by Argentinian entertainer Ruben Celiberti, with 80 plus in attendance. The performance was a tribute to his father who encouraged Celiberti's artistic career. At the concert, Celiberti showcased his life-long talents of singing, dancing and piano playing.

Ms. Amber Skjelset, Center Manager, welcomed attendees and provided them with a brief history of the century-old icon, the Clearwater Building and the purpose of the Scientology Information Center.

Argentine performer Ruben Celiberti showcases his talents at the Scientology Information Center, in tribute to his father. The Center hosts regular events and receptions for members of the community and is open daily from 10am-10pm for informational tours

Celiberti shared his story about his father. "From the time I first showed musical talent while still a small boy in Argentina, my father gave me encouragement and words of praise. He also gave me a toy piano. Although my father was very much a workingman, he had the most rarified taste in music: from Italian opera to international songs and, of course, the Argentinian tango. In many ways, his loving support shaped my destiny as a performer."

Celiberti performed 18 songs including the well known Neapolitan classic, "O Sole Mio". The Center lobby was Celiberti's stage where he sang, leapt, spun, and delighted the audience with

songs from his tri-language song selection; French, Italian and Spanish.

One guest Sophie Krekich said, "I don't speak the languages, but from the way Ruben sang I understood the passion and the beauty of the songs."

"Mr. Celiberti exhibited tremendous energy, skill and love for his craft which the audience definitely felt and enjoyed," said Amber Skjelset, event organizer and Manager of the Scientology Information Center. "His performance garnered five standing ovations starting with his very first number! It was truly magnificent."

Mr. Celiberti was a blur from dance floor to piano, belting out a diversity of songs in French, Italian and Spanish as he celebrated his father at the Scientology Information Center on June 15th.
