

# Scandalous Skankfest Alt Comedy Festival Kicks Off Weekend with The SDR Show ElimiDick and Naked Roast Battle

*This Weekend The Brooklyn Bazaar Celebrates Freedom of Speech and Expression with a Three-Day Comedy Party*

BROOKLYN, NY, USA, June 20, 2019 /EINPresswire.com/ -- Popular New York City podcast, The [SDR Show](#), hosted by comedian Big Jay Oakerson and radio personality Ralph Sutton will be hosting a special episode at the infamous alt comedy festival, [Skankfest](#), happening this Friday at 9pm at the Brooklyn Bazaar where they will be playing ElimiDick with their beautiful producer and host of [GaS Digital](#) Network dating show, The Thing is Podcast, Shannon Lee Heyer, where she will choose a man to go on a date with based solely on his penis.

It's a parody of the television dating show, Elimate, a show that the 30something, tattooed blonde went on over ten years ago, and now, still single and not having had sex for over a year and a half, is looking for love in what some would say is the most important place.

"The men will be behind a screen and Shannon will only see their penises poking out through the screen and choose her lucky man based on his voice and his dick," explains host Ralph Sutton. "There will be three ElimiDick categories for their shvances, outfit, personality and talent. How can your dick display all of that, well that's for the contestants to figure out! Get your tickets to Skankfest at [www.skankfestnyc.com](http://www.skankfestnyc.com) and see what happens."

And that won't be the only time the phalluses will be flying free! On Friday scandalous Skankfest will also feature the Naked Roast Battle, at 11pm, where comedians will face off two by two in an epic, comedic rank out that will happen completely naked! The comedians who are battling in the buff will be Rob Ryan vs Josh Means, Nikola Pavlovic vs Mateo Pascal, Sarah Hartshorne vs Dwayne Paul Cullen, Margo Reiss vs Dan Abraham and Jess Feeny vs Patrick Haggerty, the latter of the two who reenacted the Naked Roast Battle yesterday on SiriusXM's Jim Norton and Sam Roberts Show with the buck naked host, comedian/podcaster/actor Zac Amico, and fans who subscribe to SiriusXM may listen to it On Demand.

#### About Skankfest:

Skankfest NYC is not your typical "comedy festival"! The 4th annual, 3-day event, (which is more of a "comedy party" than comedy festival), is a celebration of freedom of expression and the positive treatment of performers in the industry! The comics are encouraged to go bigger, edgier, and to take more chances than they would at other comedy festivals. This year, the festivities will again take place at Brooklyn Bazaar, a massive, multi-level performance space that has allowed the Skankfest team to open up the doors to more fans!

What makes Skankfest so special?! You aren't just watching the best comedians in the country perform but you are interacting and partying with them for the entire weekend! Typically, comedy festivals are spread out across multiple venues in whichever city is hosting the event. You can expect over 100 of the best comics in the world, incredible live podcasts, meet & greets, contests, tattoos, karaoke, cheap drinks, great food, and so much more!
