

Houston Home & Patio Celebrates Almost 40 Years and 3 Generations

HOUSTON, TX, USA, June 21, 2019 /EINPresswire.com/ -- [Home and Patio](#) is renowned for its huge selection of furniture outdoor living furniture, reasonable prices and extensive delivery area. But although these are good reasons to shop at Houston's largest outdoor living store, returning customers are more likely to comment on the friendly helpfulness of the staff.

"The store's inventory has certainly increased in size over the years," says Home and Patio co-owner Beverly Spence. "And we do offer the finest furniture at the best possible prices. But we're most proud of being family owned and operated. Our main goal is to provide the sort of personal care and attention that you probably wouldn't receive at the big name box stores. And I think that's the main reason why our customers keep coming back!"
