

IT Management Corp. dba 101VOICE Receives 2019 Unified Communications Product of the Year Award

101VOICE Managed Cloud UCaaS Honored for Exceptional Innovation from the INTERNET TELEPHONY magazine.

SANTA CLARA, CALIFORNIA, UNITED STATES, June 21, 2019 /EINPresswire.com/ -- [IT Management Corp.](#) announced today that [TMC](#), a global, integrated media company helping clients build communities in print, in person and online, has named [101VOICE](#) as a 2019 Unified Communications Product of the Year Award winner.

101VOICE is a leading provider of UCaaS (Unified Communications as a Service) to schools and school districts, state, county, and local government organizations, healthcare, and commercial businesses across the US. "Since 2009, we have prided ourselves with offering state-of-the-art technologies and customized solutions built for businesses and their specific goals and requirements, in addition to the expected and traditional solutions every business demands," said Arman Eghbali, President. "101VOICE provides a feature-rich family of cloud telephony tools and services for every business environment. Our unified communications platform includes all the necessary elements every business needs in today's

“

We recognize that the success of our customers lies within the simplicity and the rich functionality of their business communications. So, we are dedicated to providing the best UCaaS to our customers”

competitive, fast-paced environments, and much more. These include 101HUB, our premier collaboration platform providing web, audio, and video conferencing; 101TEXT, our cutting edge technologies for text marketing, broadcasting, harnessing the power of SMS, picture messaging (MMS), and social media marketing,” added Eghbali. Additionally, 101VOICE UCaaS offers mobility, security (HIPAA and PCI compliant), and 101LINK tools for analytics and integration. “We continue to innovate constantly, and expand the value we offer and deliver to customers with GalazyWiFi, our managed Wi-Fi platform, and GalaxyLTE, a new and unique service for Private LTE via CBRS.”

"It gives me great pleasure to honor 101VOICE as a 2019 recipient of TMC's Unified Communications Product of the Year Award for their innovative solution, (Product)," said Rich Tehrani, CEO, TMC. "Our judges were very impressed with the ingenuity and excellence displayed by IT Management Corp in their groundbreaking work on UCaaS with the 101VOICE family of unified communications products and services."
