

Slicks Graphics now wrapping trailers throughout greater Philadelphia, PA

Through a vigorous battle to scale our installation department, we are now extending our trailer wrap service to customers located in Philadelphia, PA.

PHILADELPHIA, PA, UNITED STATES, June 24, 2019 /EINPresswire.com/ -- Wrapping Trailers is one of the best ways to generate thousands of daily impressions. Especially if your wrap travels nationally on highways at least five days a week. Here at Slicks Graphics, Inc., we specialize building high performance trailer wraps for commercial customers looking to brand their fleet of tractor trailers. From a simple, clean cut lettering kit, or a full coverage trailer wrap, we build more than 100 high quality trailer wraps each year and counting. Our products are made from leading

products manufactured by 3M and Avery Dennison. These films when purchased at the higher performance level with OEM laminates, are equip with a 5 year vertical warranty, giving you peace of mind with adhesive coverage, ink fade coverage and even de-lamination coverage.

When looking to wrap an entire fleet of 53' tractor trailers, its very important to know what you

“

Leading the vehicle graphics industry.”
