

# Agenda released for Future Armoured Vehicles Survivability conference and Active Protection Systems Focus Day 2019

*Smi reports: Agenda just released for Future Armoured Vehicles Survivability 2019*

LONDON, ENGLAND, UNITED KINGDOM, June 25, 2019 /EINPresswire.com/ -- SMi Group have just released the agenda for the [5th annual Future Armoured Vehicles Survivability](#) conference and [Active Protection Systems focus day](#) taking place between the 12th and 14th November 2019.

Visit the website and download a copy with a detailed programme full of senior military leaders from the UK, US, Israel, Australia, Czech Republic, Sweden, Romania, Norway, Turkey and more, plus industry experts from Leonardo, Pearson Engineering, ST Engineering Land Systems, General Dynamics European Land Systems, General Dynamics Land Systems UK and more!

As the only armoured vehicle conference dedicated to the area of survivability, the 2019 event will gather programme managers, capability directors, and commanders from the military, and senior engineers, chief scientists, and platform managers from leading solution providers to discuss what nations are doing to protect their armoured vehicles and their personnel.

## NEW TOPICS FOR 2019

- 'Precise Timing as a Survivability Factor' – presented by the UK MoD
- Military Robotics and Autonomous Systems for armoured vehicles
- Brand new British Military armoured vehicle programme updates
- New nations: Czech Republic, Australia and Sweden
- Romanian Active Protection Systems updates
- New Industry perspectives

## NEW 2019 MILITARY SPEAKERS:

Lieutenant Colonel Simon Routledge, SO1 Land Systems, DSTL, UK MoD will present Enhancing Future British Army Vehicle Survivability.

The poster features a silhouette of an armoured vehicle and personnel against a sunset background. It includes the SMi logo with the tagline 'LINKING BUSINESS with INFORMATION'. The main title is 'FUTURE ARMOURD VEHICLES SURVIVABILITY' in large, bold, green letters. Below the title, it states '12th-14th November 2019' and 'Maximising Armoured Vehicle Protection Through Enhanced Platform and System Survivability'. A red circular callout says 'Don't miss the Pre-conference Active Protection Systems Focus Day on 12th November 2019!'. Two quotes are included: 'Engaging and informative event' by UK MoD and 'Well organised and excellent event' by Dynamit Nobel Defence. The website 'www.favsurvivability.com' is prominently displayed at the bottom.
