

I Change Nations Honors Dr. Antoine Chevalier With World Civility Award

Dr. Chevalier is being honored for his humanitarian work and his dedication to treat veterans as well as the homeless for PTSD, Suicide and Depression.

PALM SPRINGS, CALIFORNIA, USA, June 26, 2019 /EINPresswire.com/ -- I Change Nations honored Dr. Antoine Chevalier with a World Civility Award this past weekend at an event in Palm Springs California. Dr. Chevalier is being honored for his humanitarian work and his dedication to treat veterans as well as the homeless for PTSD, Suicide and Depression. Not only is Dr. Chevalier utilizing his time but also his own personal finances to do the work. Dr. Chevalier has been a functional medicine practitioner at the White House for the last 18 years and is having a very high success rate in the treatment of the following disorders including but not limited to PTSD, Drug Addiction, Post concussion Pain, Headaches, Chronic Pain, Weight Loss, Depression, Suicidal Ideation and Anxiety. Patients are experiencing definitive sustainable results with only one treatment.

I Change Nations is a Culture of Honor System, the organization is committed to bringing back the lost art of honor by building a Culture of Honor that recognizes individuals throughout the world who have exemplified extraordinary humanitarian efforts to effectively change nations. We honor people and organizations that believe every life is valuable and is created to bring a contribution to the world. ICN is the largest "building cultures of honor" network in the world.

“

I am humbled to receive this prestigious award and to follow in the footsteps of the great men and women that have received this award for their contributions to the world.”
Dr. Antoine Chevalier
