"I love this bath tray! Tub soaks are my #1 way to relax and unwind after a stressful day and this just upped the spa game! It has a spot for my candle, my green tea, book and a small plate of

mandarin oranges! The quality is great - it's very sturdy, and adjusts to fit many different widths. Highly recommended!" - Paige

"I love this! I think I will be taking more baths again, time now to indulge. I almost forgot I was in the tub as I relaxed and read a magazine. Nothing including my phone or reading material got wet, just me. Fit securely with no problem. Very satisfied with this, exceeded my expectations!" - Cindi
