

California Mesothelioma Victims Center Now Urges Maritime Worker with Mesothelioma in California to Call for Direct Access to Attorney Erik Karst at Karst von Oiste to Talk Compensation Rather Than Ordering a Free Book

LOS ANGELES, CALIFORNIA, USA, July 22, 2019 /EINPresswire.com/ -- The California Mesothelioma Victims Center says, "We are advocates for people with mesothelioma in California and we want a person like this or their family members to receive the best possible financial compensation. We have endorsed the law firm of Karst von Oiste and their managing partner Erik Karst for a person with mesothelioma in California and we are appealing to a person with mesothelioma or their family to call us anytime at 800-714-0303 so we can try to provide them with direct access Erik and his remarkable legal team.

Attorney Erik Karst will be able to answer almost any conceivable question about mesothelioma and or compensation for this rare cancer caused by asbestos exposure.

“

We have endorsed the law firm of Karst von Oiste because we know they will get the compensation job done for you and they will produce the best settlement results as we would like to explain.”

*California Mesothelioma
Victims Center*

"Law firms offering 'free' books about mesothelioma are simply trying to identify people with mesothelioma and in some instances a person with mesothelioma might not be well served by lawyers using the book-hook-as we would like to discuss anytime at 800-714-0303."

The California Mesothelioma Victims Center is reaching out to a maritime worker, a marine mechanic, a Navy Veteran, shipyard worker, tug or barge operators, commercial

fishermen, dock workers or deck hands with mesothelioma in California and they say, "The last thing we want to see happen to any type of maritime worker with mesothelioma is for them to get shortchanged on financial compensation because they hired a less-than-qualified local

personal injury law firm.

"We have endorsed the law firm of Karst von Oiste because we know they will get the compensation job done for you and they will produce the best settlement results as we would like to explain anytime at 800-714-0303."

High-risk work groups for exposure to asbestos in California include US Navy Veterans, power plant workers, shipyard workers, oil refinery workers, chemical plant workers, manufacturing

workers, plumbers, electricians, auto mechanics, machinists, or construction workers. Typically, the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's.

According to the CDC the states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon. However, mesothelioma and asbestos exposure lung cancer happen to over a thousand people each year in California. www.karstvonoste.com/

For more information about mesothelioma please refer to the National Institutes of Health's web site related to this rare form of cancer: <https://www.cancer.gov/types/mesothelioma>.

For more information about asbestos exposure lung cancer and mesothelioma please visit the CDC's website on these topics: https://www.atsdr.cdc.gov/asbestos/health_effects_asbestos.html.
