The Business Research Company offers Air Transportation Global Market Report 2019 to its research database.

LONDON, GREATER LONDON, UK, June 29, 2019 /EINPresswire.com/ -- The [air transportation market](#) expected to reach a value of nearly \$1 trillion by 2022, significantly growing at an annual growth rate of 9.9% during the forecast period. The growth in the air transportation market is due to rising disposable income and increasing public private in emerging markets.

Major Players In The Global Air Transportation Market Include American Airlines, Delta Air Lines, United Continental Holdings, Lufthansa And Fedex”

Abdul Wasay

However, the market for air transportation is expected to face certain restraints from several factors such as rising fuel prices and high operational cost.

The air transportation services market consists of sales of

air transportation services by entities (organizations, sole traders and partnerships) that use aircraft, such as airplanes and helicopters to provide air transportation services of passengers and/or cargo. It includes services offered by both scheduled and nonscheduled air carriers, but scenic and sightseeing air transportation and air courier services are not included within the air transportation market.
