

# Kentucky US Navy Veterans Mesothelioma Advocate Now Offers A Navy Veteran with Mesothelioma in Kentucky Direct Access To Attorney Erik Karst of Karst von Oiste-Do Not Take Compensation For Granted

LEXINGTON , KENTUCKY , USA, July 10, 2019 /EINPresswire.com/ -- According to the Kentucky US Navy Veterans Mesothelioma Advocate, "We do not want one US Navy Veteran with mesothelioma in Kentucky to take their potential financial compensation for granted and we do not want a person like this to shortchange themselves by hiring a local car accident law firm to 'give it a try' on a mesothelioma compensation claim.

"If a Navy Veteran with mesothelioma in Kentucky would call us at 800-714-0303 we will provide them with direct access to attorney Erik Karst of the law firm of Karst von Oiste. If a Navy Veteran with mesothelioma or their family hires an unqualified law firm there is a very good chance-they will get shortchanged."

Mesothelioma Advocate*

The Kentucky US Navy Veterans Advocate fears that most Navy Veterans with mesothelioma in Kentucky will not receive the best possible financial compensation because they hired an inexperienced or unskilled local lawyer-law firm to work on the mesothelioma compensation claim. They also fear the Veteran, or their family will inadvertently hire a mesothelioma marketing law firm that is essentially a broker for people with mesothelioma.

The group has endorsed the law firm of Karst von Oiste for a Navy Veteran with mesothelioma in Kentucky and

nationwide because these amazing lawyers consistently get the best compensation results for

their Navy Veteran clients. The Kentucky US Navy Veterans Mesothelioma Advocate is inviting a Navy Veteran with mesothelioma in Kentucky to call them anytime at 800-714-0303 for direct access to attorney Erik Karst of the law firm of Karst von Oiste. "Trust us talking directly with Erik Karst of Karst von Oiste or his senior partners is a much better deal than a free book about mesothelioma." [www.karstvoniste.com/](http://www.karstvoniste.com/)

The US Navy Veterans Mesothelioma Advocate's services are available to US Navy Veterans with mesothelioma Lexington, Meads, Louisville, Lexington, Bowling Green, Owensboro, Covington or anywhere in Kentucky. <https://Kentucky.USNavyMesothelioma.Com>

For the best possible mesothelioma treatment options in Kentucky the Kentucky US Navy Veterans Mesothelioma Advocate strongly recommends the following two health care facilities with the offer to help a diagnosed victim, or their family get to the right physicians at each hospital.

\* The University of Louisville Health Sciences Center: <https://louisville.edu/hsc/research>

\* The University of Kentucky's Markey Center in Lexington: <https://markey.uky.edu/>

\* The VA-For a state by state listing of VA Medical Centers nation wide please visit their website: <https://www.va.gov/directory/guide/FindLocations.cfm>.

Every US Navy ship vessel built up to 1980 contained asbestos. Extreme exposure to asbestos may have occurred to US Navy Veterans if they were assigned to a navy ship's engine room, as a machinists mate, electrician, plumber/pipefitter, mechanic, in engineering, as a repair crew member, as a crew member on a nuclear submarine or as a member of the Navy Seabees. Additionally, a US Navy Veteran could have received extreme exposure to asbestos if they were required to stay on their ship or submarine for a major repair, overhaul or retrofit at a shipyard.

Asbestos exposure was so extreme on US Navy ships and submarines, about one third of all US citizens diagnosed with mesothelioma each year are Veterans of the US Navy. <https://USNavyMesothelioma.Com>

The states with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon. [www.karstvonoiste.com/](http://www.karstvonoiste.com/)

For a listing of various classes of US Navy ships or submarines please visit the US Navy website on this topic: [http://www.navy.mil/our\\_data/our\\_ships.asp](http://www.navy.mil/our_data/our_ships.asp).

For more information about mesothelioma please refer to the National Institutes of Health's web site related to this rare form of cancer: <https://www.cancer.gov/types/mesothelioma>
