

Lieutenant Governor Announced as Keynote Speaker of the 2019 Bakken Conference & Expo

Produced by North American Shale Magazine, the conference will provide attendees with a comprehensive overview of the current state of the Bakken shale oil play

BISMARCK, NORTH DAKOTA, USA, July 3, 2019 /EINPresswire.com/ -- BBI International announced Brent Sanford, North Dakota's lieutenant governor will be the keynote speaker for the [Bakken Conference & Expo](#), taking place this year at the Bismarck Event Center in Bismarck, North Dakota July 16th through the 17th.

The conference is a two-day event that will give operators, completion companies, drillers and industry stakeholders a comprehensive overview about how oil and gas production in the Williston Basin has entered a new era and how new investment strategies and innovative solutions are influencing the play's near- and long-term future.

"We are excited to have Brent Sanford back to give an update on the state of the Bakken," says Luke Geiver, program director for the Bakken Conference & Expo. "Sanford's background in business, finance, leadership and knowledge of the Bakken play makes him an excellent choice to provide the keynote presentation to attendees."

The 2019 panel presentations will provide in-depth analysis and timely presentations from 30-plus speakers including a special session titled, "Innovation in Bakken Research: University- and Industry-Led Efforts to Solve Big Problems and Prepare the Next Generation of Bakken Leaders." The panel discussion will be led by The University of North Dakota Petroleum Engineering Department and the Industry Advisory Committee, including insight from members that include:
