Scope of the Report:

The Adventure Travel segment accounted for about 71.12% of the overall Luxury Safari Tourism market revenue, by tour type in 2018, as this is identified as the most popular vacation option among young and middle age group travelers. In addition, Personalized Vacations aimed at Safari, would witness the fastest growth, registering a CAGR of 8.6% during the forecast period. An increasing number of Luxury Safari Tourists are indulging in these tours as they enable these travelers to experience the finest local delicacies and also buy some of the most exquisite handicrafts. These trips are getting popular among travelers of all age groups, especially the millennials (21 - 30 years).

Millennial segment is projected to hold the highest market share in the overall Luxury Safari Tourism market, by age group, as they have been identified as the highest travel spenders. However, it has been identified that only 5-10% marketing is targeted at this traveler segment. Luxury Safari Tourism market has a huge growth potential and would see immense demand from the emerging markets. Exposure to social media, growing disposable income and easy visa availability are some of the factors which are propelling the growth of the market. Nowadays, Luxury Safari Tourists are seeking unique traveling experience, thus opting for exotic and unexplored destinations.

The global Luxury Safari Tourism market is valued at 1184.6 million USD in 2018 and is expected to reach 1713.1 million USD by the end of 2024, growing at a CAGR of 7.7% between 2019 and 2024.
