Market segment by Regions/Countries, this report covers
United States
Europe
China
Japan
Southeast Asia
India
Central & South America

Advanced countries in North America and Europe are at a better position to tackle such issue owing to faster market assessment capacity. In Europe, countries such as the U.K., Germany, Netherlands, among others are key markets for such services. In North America, the U.S. remain the top business destination for market players. Countries such as China, Japan, South Korea and India present significant market opportunities. In the Middle East, the market is expected to growth significantly in CGG countries. This is primarily owing to increased focus on economic diversification. Non-oil investment has grown consistently in the region, which is viewed as a positive market indicator.
