

Mente Group Expands and Saves Clients Money on Way to 10th Anniversary

Diversifies Beyond Aircraft Transactions

DALLAS, TEXAS, UNITED STATES, July 8, 2019 /EINPresswire.com/ -- Mente Group is celebrating its 10th anniversary this month following a decade of national and international growth in the aircraft transaction industry and transformation into a leading full-service aviation consulting firm. Since its founding in Dallas by President and CEO Brian Proctor in 2009, the company has successfully handled more than \$3.5 billion in aircraft transactions, saving customers more than \$200 million.

"We have attracted the very best aircraft transaction experts and recruited excellent professionals to lead our consulting practices in asset advisory services, aircraft completion management, strategic, operational and technical consulting, and talent management, in addition to executing precise aircraft deals," Proctor said. "Over these past 10 years, we have been privileged to serve a strong field of clients who have been able to take advantage of excellent counsel in managing their aviation assets and activities."
