

Prog Legends Nektar Celebrate 50th Anniversary With New Studio Album “The Other Side”

New Kickstarter Campaign started offering rare Nektar memorabilia.

ASHEVILLE, NC, USA, July 9, 2019 /EINPresswire.com/
-- Nektar: The Legendary Rock Band are recording a new album! This is the first new studio album made in the United States since 1977!!

We put the old band back together to CELEBRATE the 50th ANNIVERSARY of NEKTAR!

The original members of Nektar; Derek “Mo” Moore, Ron Howden, and Mick Brickett are back. We've added Ryche Chlanda from Fireballet and the 78' band, Randy Dembo from the 2005 band, and newcomer and world-class keyboard player, Kendall Scott.

The music for our new album “The Other Side” comes from the 1978 era when we were writing in Mo's basement in Chatham, New Jersey. This music was put on pause for the last 40 YEARS and it's now time to release it with new input and fresh ideas. The music is growing exponentially as we continue rehearsing and writing and letting it take us to new heights.

Nektar - The Other Side

Nektar has started a Kickstarter campaign to fund the recording of the new album!

What are next steps for Nektar?

The reason we are here on Kickstarter is to generate the necessary funds and freedom to do this album in a suitable manner without a record company. We would like to release a CD, a DVD on the “Making of the New Album,” and writing and tweaking of the music. A double-vinyl album, all with excellent artwork by our friend and collaborator, Helmut Wenske, the original artist in the tradition of classic Nektar. After the album is released, in 2020, we will make a Blu-Ray DVD with the light show so you, our fans, can have music and visuals that you can take home with you.

We also need to set up touring to bring the music and the visual light show to you throughout 2020. In order to give you, our fans, our unique experience, we need your help now!

In appreciation for your donations, Nektar would like to give back to you. Here are SOME of the items you will receive depending on the pledge you choose:
