“

LIFE CHANGE TEA IS NOT THE SAME TEA THAT YOU BUY IN THE STORE OFF THE SHELF. LIFE CHANGE TEA IS EIGHT POWERFUL HERBS BLENDED TOGETHER TO MAXIMIZE YOUR HEALTH”

*Ronnie McMullen*

To find the answer one must look to the origins of such modern-day miracles back to a time long long ago. Not so long ago as ancient Chinese herbal therapies mind you, but as legend has it, many years ago, many years ago, talk show host and author Ronnie McMullen received a call from a listener who raved about a “special tea” that performed well naturally for the body. The host

investigated and tried the interesting concoction for himself. In three months, he had lost weight, gained more energy and had overall better [health](#). Ronnie started to research and investigate the herbs and their potential benefits to mankind. That is when he decided he must formulate his own tea product, using ingredients that were not being used at the time. This was the birth of “[Life Change Tea](#) “. The reason the name fit was because the tea did just that; a life change! Many years later, Life Change Tea found its home at [www.getthetea.com](http://www.getthetea.com). As time went on Ronnie did not stop at just formulating tea, he began to formulate healthy, beneficial unique blends of supplements that help the body repair itself. All of the ingredients are Non-GMO and organic if they can be. Some extracts cannot be considered “organic”. The body knows what to do, sometimes it just needs a little help.

Simply stated the tea detoxes and rids your body of the toxins caused by a build-up of unhealthy foods, alcohol, metals, fats, and a number of other things your body doesn't use when properly functioning.
