

Easton Orthodontist Accepting New Braces Patients

Braces are available in Easton for one all-inclusive price of \$3,995.

EASTON, PA, UNITED STATES, July 16, 2019

/EINPresswire.com/ -- The cost of [braces in Easton](#) is being kept low thanks to Exeter Orthodontics. Braces cost only \$3,995. This all-inclusive price covers the costs of x-rays, retainers, adjustments, and repairs. Even emergency visits are covered, meaning there are no hidden fees patients or their families have to worry about. New patients are currently being accepted.

[Invisalign in Easton](#) is also available for only \$3,995. Invisalign is growing in popularity because of its convenience and comfort. The treatment uses transparent, removable aligners as opposed to wires or brackets.

There are several differences between braces and Invisalign in terms of materials, compliance, and treatment length. However, one thing remains the same no matter the treatment patients choose: the low price.

"We encourage patients to schedule a consultation with us so that we can walk them through the options available to them," explains Dr. John Pardini, [orthodontist in Easton](#). "We want to find the best treatment for a patient's health and lifestyle."
