

Purolator and Zebra Choose PiiComm To Provide Mobile Device Lifecycle Management Services For Digital Transformation

Logistics leader outsources support for fleet of Zebra Technologies handheld computers to Canada's mobile technology support specialist

OTTAWA, ON, CANADA, July 10, 2019 /EINPresswire.com/ -- PiiComm, Canada's premiere mobile device support company has been selected by Zebra Technologies and Purolator Courier to deliver deployment, ongoing [lifecycle management](#) and support [services](#) for Purolator's new handheld mobile scanning devices for its couriers, warehouses and retail locations.

"Since 2007, PiiComm has been supporting mobile-centric digital transformation initiatives with services that ensure our customers' investments are realized," said PiiComm CEO, Rick Robillard. He went on to say, "We are honoured to have received this valuable endorsement by a world-class Canadian company and logistics industry leader."

PiiComm's portfolio of services will be instrumental in supporting Purolator's deployment and ongoing support of their new Zebra Technologies mobile devices which will be equipped with [ShipTrack's](#) leading delivery management software. PiiComm is a ShipTrack integration partner and originally introduced the technology to Purolator in 2014 for its National agent network and internal mail room management.

"Our relationship with Zebra Technologies and ShipTrack fulfills our hardware, software and service needs and ensures we stay ahead of the digital needs of our customers and our industry for years to come," said Ricardo Costa, Chief Information Officer, Purolator. "This is a foundational investment and an important step forward in Purolator's digital evolution that will enable us to put our customers, recipients and employees in the driver's seat with new innovation over the long-term."

ShipTrack's CEO, Shawn Winter commented, "The ShipTrack cloud software platform along with our help desk, and PiiComm's lifecycle management services coupled with Zebra's industry-leading portfolio of mobile devices is a fantastic recipe for success and gives Purolator an edge over its competitors and helps them Deliver Promises for their clients" Shawn Winter, Chief Executive Officer, ShipTrack Inc.

About Purolator

Follow us on LinkedIn, Twitter and Facebook.

About ShipTrack

Shiptrack was conceived and created by a group of technology entrepreneurs in response to demand from companies and governments for real-time package tracking applications to electronically track items in transit in a simple, cost-effective manner. Whether the focus is on tracking the distribution of packages and envelopes by internal mailrooms, the delivery of shipments to the homes of online shoppers (last mile delivery) or the secure movements of controlled substances to pharmacies; above all its the ability to know where an item is and when it is delivered that provides a wide range of real-time advantages for our clients. For more information, visit www.shiptrackapp.com.
