Lynn covered TWTH Association spearheaded a “Safe City, Safe Neighborhood” team with the purpose of improving the cleanliness and safety of the local area. To accomplish this, TWTH Association volunteers carry out several community cleanups a week.

“We at The Way to Happiness feel that the issue of littering is not new but needs to be addressed with urgency,” said Executive Director of The Way to Happiness Association Tampa Bay, Tanja Cranton. “A litter-laden community reduces community pride and is a major contributor to crime.”

Lynn said that TWTH volunteers base their actions on The Way to Happiness book, authored by L Ron Hubbard in 1981. The book contains 21 common sense principles for a better living includes a section, “Help take care of the planet” in which Hubbard wrote, “ The idea that one has a share in the planet and that one can and should help care for it may seem very large and, to some, quite beyond reality. But today what happens on the other side of the world, even so far away, can effect what happens in your own home.”
