

Soulful Folk Singer-Songwriter, Mutlu Releases Debut Single “Lifeline” July 12 - Video release on July 19

First Single and Video Release forthcoming Album ‘Good Trouble!’ out on August 9

LOS ANGELES, CA, USA, July 11, 2019 /EINPresswire.com/ -- Mutlu, the Philly based musician of Turkish descent is known to cohesively blend elements of soul, folk and rock within his music. “Lifeline” is the first introduction to Mutlu’s upcoming record Good Trouble. The single will be available for streaming on July 12th and will be followed by a music video releasing on July 19th.

The singer-songwriter and guitarist returns to his frequent themes of empowerment and societal change in his new release. “Lifeline” encourages a divided society to find common ground in order to unite and stand up for each other, even if it means having to face conflict and hardship. Mutlu’s velvety and soulful vocals soar over a thumping kick drum and an infectious bassline. Towards the second half of the track, “Lifeline” picks up with uplifting guitar melodies and rattling shakers, taking the track to a higher level.

Mutlu offers a revitalized version of classic soul music by bridging the gap between a variety of genres. Furthermore, he exudes a sense of freedom with his stimulating lyricism and contemporary style. Mutlu showcases his unique approach not only in “Lifeline” but also in his upcoming LP, Good Trouble. The album is set for release on August 9th. To support the album, Mutlu will continue touring with folk-soul tastemaker, Amos Lee during July. Mutlu will then kick off his own headlining shows in the beginning of August.

Mutlu’s deeply rooted retro grooves and smooth vocals continue to win a widespread praise. He has toured extensively through Europe and America, including: Greek Theatre (Los Angeles, CA), Ascend Amphitheater (Nashville, TN), Tower Theatre (Philadelphia, PA), Royal Festival Hall (London, UK), to name a few. The Philadelphia Inquirer also touted: “Mutlu is a surprising package. He’s a hirsute bear of a man. But park him in front of a microphone and this angelically sweet, soulful voice pours out of him.” For more information please visit: Mutlusounds.com
