Military Flight Training 2019

The high-ranking military officials from Central Europe will be discussing the latest national approaches to training future military pilots, as well as covering the new topics for 2019, including technical air crew training, pilot retention and attrition reduction, and cooperating with external contractors for increased training efficiencies.

The featured expert speakers and their respective presentations include:

Colonel Georg von Harling, Commander of the Technical Training Centre, German Air Force will be presenting an opening keynote address on 'Developing Operational Readiness and Effectiveness of German Forces through Dynamic Technical Training'.

Lieutenant Colonel Alexander Koell, Commander of the Pilot Training Institute, Austrian Air Force will be presenting on 'Austrian Fast-Jet Training: Safeguarding Future Fast Jet Capabilities'.

Colonel Martin Jandourek, 22nd Helicopter Wing Commander, Czech Air Force will be presenting on 'Building More Effective Training Practices for Enhanced Rotary-Wing Capabilities'.

The brochure with the two-day programme and past attendee list can be found on the event website at <http://www.militaryflight-training.com/einpr6>
