PHOENIX, ARIZONA, UNITED STATES, July 12, 2019 /EINPresswire.com/ -- The 2nd Annual [National Unplugged Play Day](#), sponsored by the [Wikki Stix Company](#), will be held on September 28th, 2019...encouraging kids to...Unplug it! Turn it off! Take a Break! [Be a Kid!](#)

National Unplugged Play Day, in its inaugural year, enjoyed the participation of over 115 stores nationwide, from large urban toy stores to office supply stores, to small specialty arts and craft stores. Additionally, over 1,500 moms purchased the "in-home play day kit" to participate with their children at home.

Kem Clark, president of Omnicor Inc., explained, "We all have concerns today over kids' constant attachment to electronics, where they sit and passively stare at screens. They have lost the art of playing. They watch, rather than DO! Play is important to stimulate imagination and creativity and help develop cognitive thinking skills. We felt our product, along with many others, might take the lead in offering a break from screens with hands-on, engaged play."

As part of the National Unplugged Play Day, Wikki Stix is offering a \$6 Play Day Kit (with free shipping). The kit is only available to residents in the Continental USA and is limited to one kit per household...limited to the first 500 orders.
