NEW ORLEANS, LOUISIANA, USA, August 5, 2019 /EINPresswire.com/ -- The Louisiana Mesothelioma Victims Center is now offering a person with mesothelioma anywhere in Louisiana or their family direct access to famed mesothelioma attorney Erik Karst and or his most capable colleagues at the law firm of Karst von Oiste in order to ensure honest and accurate answers for questions about mesothelioma compensation. The group is urging a person with mesothelioma in Louisiana to call them anytime at 800-714-0303 so they do not end up calling a marketing law firm's call center, a local car accident attorney or a phony claims center.

The Louisiana Mesothelioma Victims Center says, "If a person with mesothelioma in Louisiana wants the very best financial compensation it is vital-they retain the services of the nation's most capable lawyers-not an ambulance chaser as we would be happy to discuss anytime at 800-714-0303. We have endorsed the law firm of Karst von Oiste for people with mesothelioma in Louisiana because they get the best compensation results."

The Louisiana Mesothelioma Victims Center fears that people dealing with the news of a mesothelioma diagnosis will go to the Internet to try to learn more about financial compensation for this rare cancer caused by exposure to asbestos. As they would like to discuss anytime at 800-714-0303-"More than half of the law firms advertising on the Internet are marketing law firms-and they sell the people they sign up for a portion of the legal fees. These are multi-million-dollar operations-and frequently victims of mesothelioma that get involved with lawyers like this end up getting shortchanged on compensation, over charged on lawyer's fees-or both.

"If you have been recently diagnosed with mesothelioma in Louisiana please call us at 800-714-0303 so we can introduce you to attorney Erik Karst the founding partner of Karst von Oiste."
