

# Senior experts to present exclusive updates on cyber warfare at Maritime Information Warfare 2019

*SMI Reports: Senior experts will be addressing a key theme on cyber warfare at the Maritime Information Warfare Conference, in London this November*

LONDON, ENGLAND, UNITED KINGDOM, July 16, 2019 /EINPresswire.com/ -- [SMi's 3rd Annual Maritime Information Warfare Conference](http://www.maritimeinfowarfare.com/) will be held in London on 18th-19th November 2019. This conference places great emphasis on Cyber Warfare, and the importance of more effective Cyber Defence as the maritime sphere becomes more information technology centric. Senior military officials and industry experts will provide delegates with exclusive briefings on implementing Cyber Warfare strategies and capabilities to optimise 'cyber lethality'.

For those interested in attending, there is a £100 early bird discount expiring at midnight on 30th September 2019. Register online at <http://www.maritimeinfowarfare.com/einpr4>

The poster features a dark blue background with a grid of binary code (0s and 1s). In the center, the words "MARITIME INFORMATION WARFARE" are written in large, bold, yellow, distressed-style capital letters. Below this, the dates "18 - 19 November 2019" and the location "London, UK" are displayed in white. At the bottom, the website "www.maritimeinfowarfare.com" and the hashtag "#MIW2019" are listed. The background image shows a white naval ship with the number "F591" on its side. The SMI logo is in the top right corner.
