

BrightStar Senior Living Opens in Fort Wayne, IN

Partnership sees Additional Growth in the Coming Years

MILWAUKEE, WI, UNITED STATES, July 22, 2019 /EINPresswire.com/ -- Berengaria, a portfolio company of Marcus Investments, together with [BrightStar Senior Living](#), have opened a newly constructed assisted living and memory care community in Fort Wayne, IN. The 41-unit building will be focused on person-centered care in a home-like environment. The staff to resident ratio will be unusually high in an intimate setting, allowing for BrightStar to care for residents with several ADLs and behavioral health needs.

The community was developed through a joint venture arrangement between BrightStar Senior Living and Berengaria. An additional new community in Mason, OH is being developed by BrightStar Senior Living and Berengaria where the grand opening is expected in summer of 2020.

“

The new BrightStar Senior Living communities have been deliberately designed to be intimate, allowing for personalized relationships to develop between caregivers, residents and their families.”

Christopher Nolte

Dan Sisel, Vice President at Berengaria, said “We are excited about growing the BrightStar Senior Living brand because they bring such an intense focus on providing premium, person-centered care. Families in Fort Wayne with loved ones who have advanced medical needs will now have an option that offers exceptional care in a warm, home-like setting.”

Christopher Nolte, President of Marcus Investments, said “The new BrightStar Senior Living communities have been deliberately designed to be intimate, allowing for personalized relationships to develop between caregivers, residents and their families. BrightStar’s focus on the

individual is truly unique at a time when many massive senior living facilities are being developed.”
