Led by [Farès Chmait](#), an esteemed international trainer, speaker and consultant, Impact-Pro is committed to assisting corporate leaders in expanding their ability to effectively lead change and productively face challenges. Mr. Chmait has worked with some of North-America's top companies and institutions

Introducing the Human Factor to Management

For over 25 years, Farès Chmait has helped various organizations reach their goals. Through his extensive business experience in several industries around the world, and his Post-Master's training in Neuro-Linguistic Programming (NLP), Chmait has developed his own, unique method of developing leaders, in an approach he calls the Human Factor. Founded on the view that subjective experience can and will influence an individual's patterns of behaviour, the Impact-Pro executive training program will provide

managers with the tools necessary to embrace change, adapt to continual challenges, and, essentially, grow as leaders.

Making a Difference with the Impact-Pro Shift

Farès Chmait helps clients to do and see things differently; more precisely, to [Communicate, Live and Work](#)

[Differently](#). Dedicated to provoking positive change in clients' lives, he has elaborated a full range of courses designed to improve effectiveness and help individuals reach their full potential. Courses focus on improving communication, negotiation and leadership skills. Other courses include sales and emotional intelligence training.

Seasoned Expert to Stimulate Excellence

Your Impact-Pro Executive Coach is an expert in the fields of Psychology, Industrial Relations and Human Resources. Farès Chmait is a corporate leader, acclaimed author, advisor and guest professor. Through the Executive Training Program, he can help clients determine what they

want to achieve and how to achieve it. The focus of the training will be on self-awareness, but also on understanding others' intentions and needs, as well as identifying, and dealing with external factors that can impact objectives.
