*PEOPLE magazine and Great Place to Work selected American Fidelity as one of their 2019 50 Companies That Care.*

OKLAHOMA CITY, OK, USA, July 24, 2019 /EINPresswire.com/ -- PEOPLE magazine and Great Place to Work selected [American Fidelity](#) as one of their [2019 50 Companies That Care](#).

"Our Customers are the backbone of our communities – educators, police, firefighters, municipal workers, healthcare providers – and they inspire us to give back," said American Fidelity President and COO Jeanette Rice. "Whether it's donating blood, tutoring at a local school, serving as a Pacesetter for the United Way campaign or volunteering at a local food bank, our Colleagues are always willing to help their communities. We're a company that cares because our Colleagues care."

To celebrate making the list, American Fidelity is rolling out a new volunteer grant program for its Colleagues and has special volunteer activities planned for Colleagues. Along with an existing match for Colleagues' donations to eligible charitable organizations, the new program will offer monetary donations to match the time Colleagues spend volunteering for eligible charitable organizations and Colleagues serving on non-profit boards can also receive donations for their organization.
