

boom! Mobile to Launch New Flexible Pricing Plans for Families and Businesses on the Nation's Largest Mobile Networks

boom! Mobile announced the strengthening of their plan offerings with bundled pricing for families and businesses on the boom! red or boom! blue networks.

TULSA, OK, UNITED STATES, July 25, 2019 /EINPresswire.com/ -- Tulsa, OK – July 24, 2019 – boom! Mobile today announced the strengthening of their plan offerings with bundled pricing for families and businesses subscribed to the boom! red or boom! blue networks. Set to launch on July 26, 2019, these new plans will offer unlimited talk, text and data access across a growing national network and digital footprint.

“We’re doubling down on new wireless plans that offer affordable, yet flexible family and business rates for the customers who shouldn’t need to compromise the importance of staying connected,” said Jeff Holley, Founder and CEO of boom! Mobile. “The addition of these plans positions boom! Mobile to address demand in specific niche-market verticals for new and existing members of boom! Red and boom! Blue.”

Current and new subscribers will be able to add a new line for as low as \$12.99 a month -- giving them access to perks and services available through their respective networks:

▣ boom! red: powered by the largest CDMA network in the US with core features, including HD voice (VoLTE), visual voicemail, CDMA-Less Device Provisioning, (iPhone/Android/Windows) and mobile hotspot

boom! Mobile, Headquartered in Tulsa, Oklahoma
